

TEST REPORT

INTRODUCTION

Intertek Guangzhou has evaluated water closet according to the Chapter 309.4, 604.4 and 604.6 of ICC A117.1-2017 *Standard for Accessible and Usable Buildings and Facilities* between March 25, 2024 and May 11, 2024.

This report pertains to all of the production sample models as listed in the Product Description section of this report. The evaluated production models were submitted via the client's own courier on February 1, 2024 and May 9, 2024. The samples were chosen as representative of the subject product as described in the Product Description section of this report and were received in good condition at the Intertek Guangzhou laboratory. The samples were picked up before an IAPMO R&T inspection and were not tampered with before arriving at the laboratory.

Concluding Summary Statement: *The submitted sample, as described in this report, ~~meets~~ the requirements of Chapter 309.4, 604.4 and 604.6 of ICC A117.1-2017 Standard for Accessible and Usable Buildings and Facilities, as evaluated by this laboratory.*
